At that time, if a conclusion is reached, a caugus of the Republicans of the Senate will

There appeared to be a feeling that it would be unwise to perm lishment of a uniform system of bank ruptcy, for the refunding of the debt of the Pacific railroads and like measures, which will precipitate a prolonged de-bate. The visitors to the city to-day will find a plenty of places of interest and attrac-tion to spend their idle time, after they have attended to their shopping or other business. Downs Roanoke in a Close and Exciting Game.

PETERSBURG, VA., May 12.-(Special.) After a terrible struggle this afternoon the Farmers were victorious. It was a fight from the start, and anybody's game until the last man was retired in the ninth inning. The excitement was intense, as the rooters had witnessed several games recently that appeared safe for the home team in the early stages won out by the visitors in the last one or two innings. This afternoon the Cockade boys fought gamely, and won a well-earned victory. Kane was in the box for the home team, and while he was not being hit so often, the visitors were apparently getting pretty well acquainted with his curves, and he was taken out to give Armstrong a chance to see what he could do in the way of deceiving the heavy hitters of the Roanoke team. Barring one inning, in which they scored three runs, two of them being home runs, the visitors could do nothing with Armstrong. Lipp, who pitched for Hagerstown last season, and was heralded as a phenomenon, tried his hand in to-day's game. The home team had a picnic with his curves and shoots. These suited them exactly, and at the finish they were credited with eighteen clean hits. Lipp took his medicine like a man, and never sulked or weakened, and deserves credit for it. The base-running of Shoita, and for it. The base-running of Sholta, the hitting of Keefer, Kane, and Sh deserve special mention; also, the work at short by Wrigley and Dundon.
